Dear Sir:

Pursuant to 37 C.F.R. §§1.56, 1.97 and 1.98, Applicant invites the attention of the Patent and Trademark Office to the references listed on the attached PTO/SB/08. Applicant respectfully requests that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is filed before the mailing date of a first Office Action on the merits as far as is known to the undersigned (37 C.F.R. §1.97(b)(3)).

In accordance with 37 C.F.R. §1.98(a)(2)(ii), Applicant has not submitted copies of U.S. patents and U.S. patent applications. Applicant submits herewith copies of foreign patents and non-patent literature in accordance with 37 C.F.R. §1.98(a)(2). Applicant notes that references AA-AF, BA-BC and CA-CC were cited in a Search Report issued in GB application No. 0404571.2, filed March 1, 2004, to which the instant application claims

priority. A copy of the Search Report (reference BD) is enclosed for the Examiner's convenience.

Applicant also notes that reference CC is a journal article written in Italian. Pursuant to 37 C.F.R. §1.98(a)(3)(i) and (ii), a translation of the journal title and abstract is attached to the end of reference CC and provides a concise explanation of the relevance of reference CC.

In accordance with 37 C.F.R. §1.97(g), the filing of this Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(a) exists. In accordance with 37 C.F.R. §1.97(h), the filing of this Supplemental Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

Applicant submits that the Supplemental Information Disclosure Statement is in compliance with 37 C.F.R. §1.98 and Applicant respectfully requests the Examiner to consider the listed references.

Applicant does not believe any fee is required for consideration and entry of this Supplemental Information Disclosure Statement. Nevertheless, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1105, under Order No. 66073US(49949).

Dated: March 14, 2007

Respectfully submitted,
